

**CHARGES APPLICABLE FROM 1 APRIL 2022 - 31 MARCH 2023**  
including 20% VAT

**MARINA CHARGES**

<b>Annual Mooring Fee</b>	£ 441.00 per metre
Includes winter hard standing, lift, chock and re-launch, payable quarterly in advance. Minimum length for all moorings 6m. Full service berths in marina are 6m / 8.2m / 10.7m minimum charge.	
<b>Surcharge for Mooring Holders for Undercover Winter Storage</b>	£ 128.50 per metre
<b>Trailer Boat Storage Annual Fee</b>	£ 285.00 per metre
Includes unlimited use of slipway April - October. Charge based on boat and trailer length in total. Minimum charge 6m.	
<b>Winter Hardstanding</b>	£ 220.50 per metre
Includes 6 months hardstanding, lift, chock & relaunch.	
<b>Undercover Winter Hardstanding</b>	£ 349.00 per metre
<b>Mains Electric Supply</b>	
Electric meter	£ 192.00 per meter
Quarterly service charge for supply of electricity	£ 25.00 per quarter
Electricity unit charge, billed quarterly in arrears (excluding VAT)	£ 0.14 per unit
<b>Slipway</b>	
Launch and retrieve, including one day's parking for car and trailer	£ 80.00 per craft
Single launch or retrieve	£ 40.00 per craft
Single assisted slipway use with staff and tractor	£ 125.00 per craft

**NOTES:**

- 1 Berths are let annually, and invoiced quarterly. One quarter's notice is required prior to vacation of a berth.
- 2 The mooring length charged is the overall measurement including all protrusions on bow and stern. Measurements are made to the nearest 0.1 metres upwards. All craft are measured on arrival.
- 3 Use of the slipway by non-trailer boat storage customers can only be during office opening times.  
**Our gates close automatically at close of business.**
