Haines 320 Aft Cabin

EST 1845

Val Wyatt Marine

UK AGENT

HAINES MARINE

Unlike mass production builders Haines combine traditional craftsmanship with modern techniques and will tailor a boat to individual requirements.

Ordering a bespoke Haines motor cruiser gives you the freedom to create a boat that is as individual as you are.

Enjoy an endless degree of choice from fabrics and linings to joinery finishes and even interior layouts.

The company based in the heart of the Norfolk Broads began life in 1980, and has since enjoyed international recognition as builders of high quality motor cruisers.

HAINES 320

The Haines 320 aft cabin model delivers the very best use of space in its 32 foot / sub 10 meter length. Delivering vast amounts of accommodation plus an abundance of space to live and entertain.

Two double cabins each with their own toilet and shower compartments, plus a saloon settee converting to an additional double berth means that six can be comfortably accommodated.

A dedicated galley area provides you with all the amenities and storage required for long periods onboard. Generous saloon and aft deck seating areas provide two comfortable places to dine and entertain.

The craft has the option of a second helm position to the portside of the saloon and a further option of rotating upper deck screens which lowers the boats air draft to just 8ft 4 inches (2.54m). As standard all Haines 320 models are handcrafted to Haines' renowned high standard of fit out.

DECKS

Helm to port, dash with full engine instruments, navigators seat, gas and deck storage lockers with cushions, pushpit rails with dodgers, cabin roof rails, transom steps with teak treads to GRP bathing platform and swim ladder below.

SALOON

Corner seat to port (option of lower helm position), U-shaped settee to starboard converting to double with drawer storage below, full length cupboards with shelves, hardwood steps with stainless steel supports to aft deck and a freestanding hi/low table.

Lower helm position an optional extra and not included in standard specification.

GALLEY

To starboard with composite work surface, 3-burner gas hob, oven/grill and pots/pans locker below. Twin sinks with mixer tap and cupboards, eye-level locker on aft bulkhead, storage box below top saloon / galley step.

FORWARD CABIN, TOILET & SHOWER

Island double berth with drawers below (option of twin v-berths), GRP storage box below berth, port and starboard side hanging lockers. Full length shelves either side of berth.

Toilet and shower to port with toilet to holding tank, composite work surface with ceramic counter top basin and mixer tap, cupboard below, shower and all shower / toilet fittings.

AFT CABIN, EN-SUITE & SHOWER

Large double berth to starboard with drawers below, full length shelf outboard, portside wardrobe and dressing table with drawers below.

Toilet to holding tank, composite work surface with ceramic counter top basin and mixer tap, cupboard below, shower and all shower / toilet fittings.
