Includes winter hard standing, lift, chock and re-launch, payable quarterly in advance. Minimum length for all moorings 6m. Full service berths in marina are 6m / 8.2m / 10.7m minimum			
Surcharge for Mooring Holders for Undercover Winter Storage	£	151	per metre
Trailer Boat Storage Annual Fee	£	340	per metre
Includes unlimited use of slipway April – October. Charge based on boat and trailer length in total. Minimum charge 6m.			
Winter Hardstanding	£	263	per metre
Includes 6 months hardstanding, lift, chock & relaunch.			
Undercover Winter Hardstanding	£	414	per metre
Mains Electric Supply			
Electric meter	£	240	per meter
Quarterly service charge for supply of electricity	£	25	per quarter
Electricity unit charge, billed quarterly in arrears (excl VAT)	£	0.22	per unit
Slipway			
Launch and retrieve, including one day's parking for car and trailer	£	80	per craft
Additional parking per day, subject to availability	£	10	per day
Single launch or retrieve	£	40	per craft
Single assisted slipway use with staff and tractor	£	140	per craft

NOTES:

- 1 Berths are let annually, and invoiced quarterly. One quarter's notice is required prior to vacation of a berth.
- 2 The mooring length charged is the overall measurement including all protrusions on bow and stern. Measurements are made to the nearest 0.1 metres upwards. All craft are measured on arrival.
- 3 Use of the slipway by non-trailer boat storage customers can only be during office opening times.
Our gates close automatically at close of business.
